

# bright Alone

Self-examination

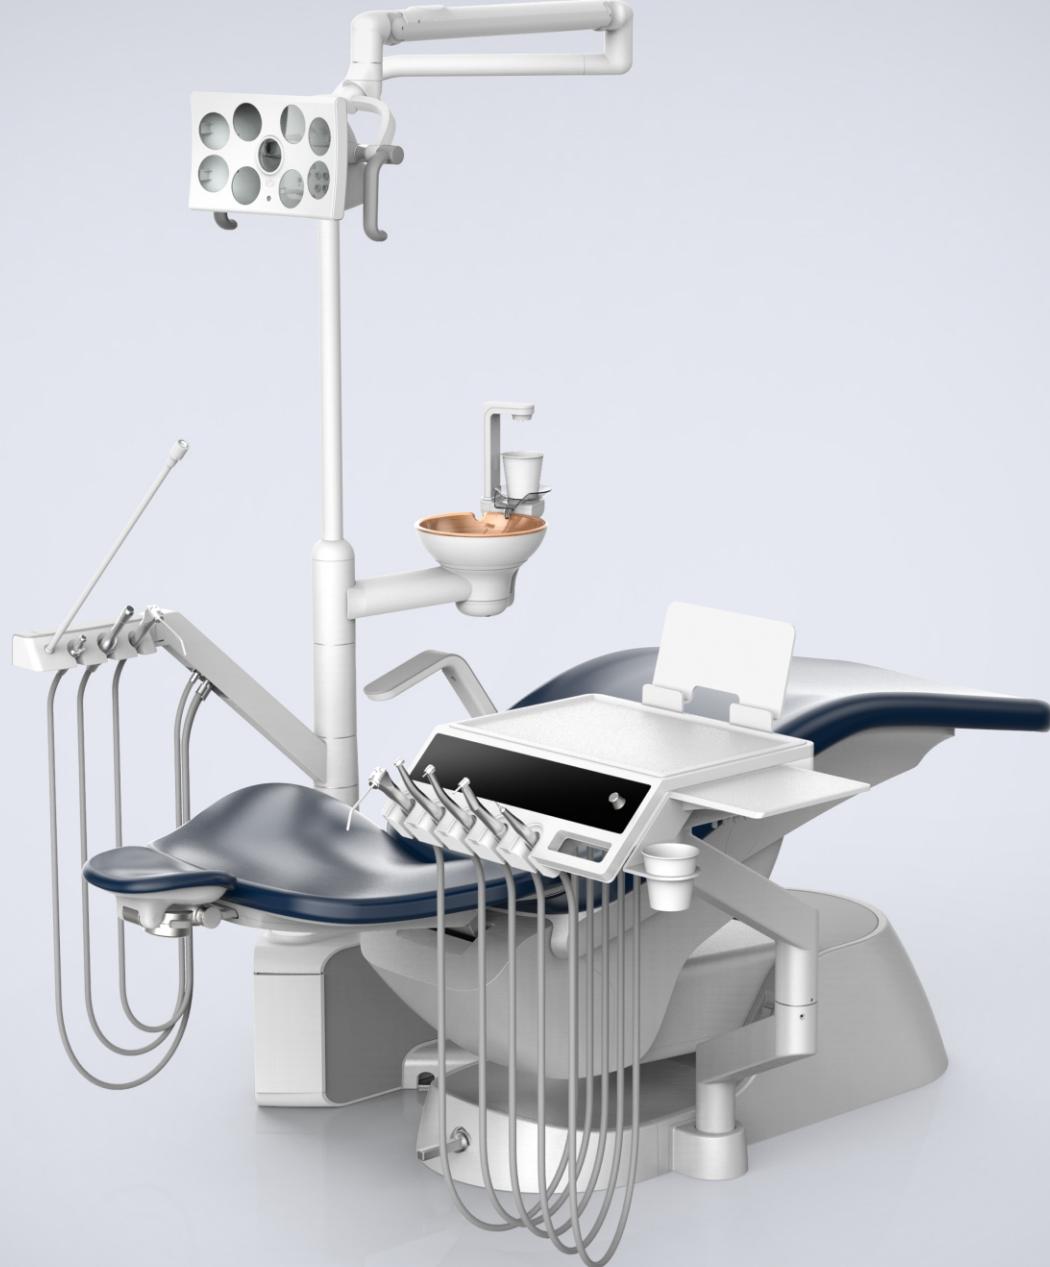

[dentium.co.in](http://dentium.co.in)

**Dentium**

## bright Alone

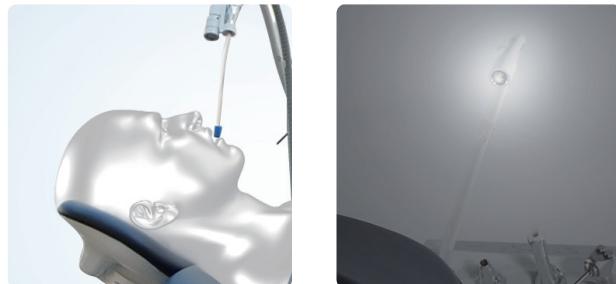

### characteristic

- **Self-examination** can be conducted by using the **suction holder**.
- Optimized moving distance in limited space and **minimal A/S** with changed Dr. Table design
- Convenient **hygiene management** with detachable spittoon and instrument holder

## Suction Holder

Suction holder enables easy **self-examination** and **auxiliary lighting** eliminates blind spots inside the mouth.

## Detachable spittoon

**Detachable spittoon** enables easy hygiene management.

## Floor Mount Type

Floor-mounted arm has **better durability** and enables the **efficient use of space**.

## Option Line-up

<b>Table Type</b>	Square Type
<b>Table</b>	400 x 275
